

Name giving of 'LPG/C MAERSK VISUAL' in Korea.

On Thursday 21st June 2007, A.P. Moller Singapore Pte Ltd latest new building, an 82.000 cbm VLGC gas tanker built in Korea was named. The lady sponsor Mrs. Grace Mulliken, wife of Christopher Mulliken LPG Trading Manager with Glencore Ltd. honored the owner, A.P. Moller Singapore Pte Ltd., by naming the new building MAERSK VISUAL at Hyundai Heavy Industries Co. Ltd. in Ulsan, Korea.

Senior Vice President of Maersk Gas Carriers, Mr. Martin Fruergaard, hosted the name giving, which was attended by customers, representatives from the maritime industry and employees from the A.P. Moller - Maersk Group.

MAERSK VISUAL is the first in a series of four VLGC (Very Large Gas Carrier) vessels which Hyundai Heavy Industries Co. Ltd. will be delivering to the group in 2007. It marks the beginning of a significant expansion for the A.P. Moller - Maersk Group in LPG transportation.

MAERSK VISUAL is registered in Singapore and will be commanded by Captain Venkatesh Ramakrishnan, with Mr. Ajay Shankar Shukla as Chief Engineer on her maiden voyage.
