

## Name giving of the 'MAERSK VALUE' in Korea.

On Thursday, 13<sup>th</sup> September 2007, A.P. Moller Singapore Pte Ltd latest new building, a 82.000 cbm VLGC gas tanker built in Korea was named. The sponsor Mrs. Sørensen, wife of Mr. Søren Thorup Sørensen, CFO and Partner of A.P. Moller - Maersk Group honoured the owner, A.P. Moller Singapore Pte Ltd., by naming the newbuilding MAERSK VALUE at Hyundai Heavy Industries Co. Ltd. in Samho, Korea.

MAERSK VALUE is a Very Large Gas Carrier, the third in a series of four from Hyundai Heavy Industries Co. Ltd. for delivery in 2007. It forms part of a significant expansion for the A.P. Moller - Maersk Group in LPG transportation.

MAERSK VALUE is registered in Singapore and will be commanded Captain Neeraj Bhushan, with Mr. Gagan Agarwal as Chief Engineer.
