

Delivery of Maersk Buton

On 4 July 2008, A.P. Moller Singapore's latest new building M.V. Maersk Buton (New Building Hull No. N-194) built at Hanjin Heavy Industries and Construction Co. Ltd, South Korea was delivered.

The 35,835 GRT, 3,100 TEU Container Vessel is the third in the series of B-Type container vessels delivered to A.P. Moller Singapore. The vessel is fitted with a HYUNDAI-MAN B&W 8K80 ME-C engine delivering 28,800 KW taking the vessel speed up to 22.1 Knots. Maersk Buton is about 212.2 meters long with a beam of 32.2 meters and a depth of 16.56 meters.

Maersk Buton is registered in Singapore and commanded by Captain Nandakumar K. S., with Mr. Arif Rayhan as Chief Engineer on her maiden voyage.
