

Delivery of Maersk Arwa

On 22 September 2008, A. P. Moller Singapore's new building Maersk Arwa (New Building Hull No 1625) built at Samsung Industries Geoje Shipyard, South Korea was delivered.

The 165,000 CMB LNG Vessel is the third in the series of six dual fuel diesel electric vessel delivered to A.P. Moller Singapore. The vessel is fitted with a Wartsila 12V 50DF engine delivering 26,500 KW taking the vessel speed up to 19.5 Knots. Maersk Arwa is about 275.0 meters long with a beam of 43.4 meters and a depth of 26.6 meters.

Maersk Arwa is registered in Marshall Islands and commanded by Captain Apte Jitendra Vasudeo, with Mr. Md Arifur Rahman as Chief Engineer on her maiden voyage.
