

APMS UK OFFICER'S SEMINAR

Newcastle, well known for its bridges and home to the "Geordies" set stage for first APMS UK Officer's Seminar.

The two days (27 and 28 November) spent saw more than 30 participants incl. Speakers attend and participate in an interactive session. The representation saw speakers from various departments (Fleet Personnel, Training, Safety, Technical, Maersk Line and Purchasing) within the APMM Group. The presentations provided the sea-staff with insight into the organization's current development and future plans and doubts and queries raised were clarified accordingly.

The event ended with a positive feedback, providing a platform for the Shore and sea staff to work together as a team.
