

Delivery of Maersk Norfolk

On 15 October 2008, Maersk Norfolk (Hull No-VWS 472) was delivered at Volkswerft Stralsund GmbH Germany.

The 33,000 GT, 2500 TEU Container Vessel is the second of its type manned by A. P. Moller Singapore. The Vessel is powered by Doosan Man B&W 7L 70 ME-C engine delivering 21,770 KW which takes it to speeds of up to 22.5 Knots. The Vessel is 200.08 meters long with a beam of 29.8 meters and a depth of 16.4 meters.

Maersk Norfolk is registered to Isle of Man and commanded by Captain Andrew Frost, with Mr. Onwuma George Daniel as Chief Engineer on her maiden voyage.
